

Northeast Region Order of the Arrow High Adventure Scholarship Patch Set

The Northeast Region has designed a special set of 4" patches to raise funds for OA High Adventure Scholarships. Our goal is to provide significant assistance to help Arrowmen from the Northeast Region attend OA programs at Philmont, Northern Tier, the Florida Sea Base, and the newest program at the Summit Bechtel Reserve.

This special commemorative Mylar border set sells for \$75, which includes all 4 patches. Only 50 sets were made, and no more will be made.

You may purchase individual red border patches with a buttonhook for uniform wear for \$6 each (no limit).

Up to 4 patches include \$2 for shipping, 4 or more patches include \$4 for shipping. Orders will not be filled unless proper postage is included.
